PROFESSIONAL SUMMARY

Aspiring Software Developer with hands-on experience in Python, Java, C, HTML, and CSS. Skilled in developing responsive websites, debugging applications, and building practical software projects. Developed a personal portfolio website and multiple Python applications demonstrating strong problem-solving, logical thinking, and clean coding practices. Passionate about continuous learning and building reliable software solutions.

PROJECTS

Personal Portfolio Website

HTML, CSS, GitHub Pages

- Designed and developed a responsive personal portfolio website using HTML and CSS.
- Showcases technical skills, projects, and contact information.
- Successfully deployed using GitHub Pages.
- Portfolio: <https://kasthurimocherla.github.io/Portfolio-Website/>

Python Logic & Debugging Collection

Python

- Developed 15+ Python programs demonstrating logical thinking and debugging skills.
- Includes Prime Number Checker, Calculator, Palindrome Checker, Fibonacci Series, Armstrong Number Checker, Password Generator, Number Guessing Game and more.
- GitHub: <https://github.com/kasthurimocherla/Python-Logic-Debugging>

Python Applications

Python

- Built practical applications including Student Management System, Library Management System, Expense Tracker, Quiz Application, Contact Book, To-Do List, Temperature Converter, Student Grade Calculator and Word Counter.
- Applied concepts such as file handling, functions, dictionaries, loops and object-oriented programming.

EDUCATION

B.Tech in Computer Science & Engineering (Course Discontinued)

Bapatla Women's Engineering College

2022 – 2024

- Completed three semesters with a CGPA of 8.5.
- Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming (Java), Digital Electronics, Discrete Mathematics.

Intermediate (MPC)

Sri Sarada Junior College

2019 – 2021

- Percentage/CGPA: 77%

SSC

Bethesda Integrated School

2019

- CGPA: 9.5

TECHNICAL SKILLS

Programming Languages	Python, Java, C
Web Development	HTML5, CSS3, Responsive Web Design, GitHub Pages
Version Control	Git, GitHub
Tools	Canva, Microsoft Word, Microsoft Excel
Currently Learning	JavaScript, Modern Web Development

AREAS OF INTEREST

- Software Development
- Python Development
- Web Development
- Backend Development
- Software Testing & Debugging

STRENGTHS

- Problem Solving
- Debugging & Troubleshooting
- Object-Oriented Programming (OOP)
- Logic Building
- Clean Code Practices
- Responsive Web Development
- Version Control using Git & GitHub
- Continuous Learning

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge.
